December 21, 2021

Dear Seaford Families, Faculty and Staff,

I hope that you and your families are well. Recently we have seen an uptick in the number of positive cases. Since the last letter dated December 15, 2021, there have been 39 COVID cases, 18 of which were reported since the closing of school yesterday.

Building	Student/Employee
Harbor Elementary	6 Students
Manor Elementary	5 Students / 2 Employees
Middle School	9 Students / 1 Employee
High School	13 Students / 3 Employees

Individuals receiving a positive test result are required to isolate for ten days as per the Department of Health guidelines. These people will not be permitted to return to school until we receive a letter from the Department of Health and/or medical documentation clearing them to return to school. **If a student or an employee tests positive for COVID-19, please send immediate email notification to your building principal and Lorraine Burke: lburke@seaford.k12.ny.us for December 21st and 22nd and Tom Lynch tlynch1@seaford.k12.ny.us during the holiday vacation.**

Also, please note that it is vital that if a student or an employee is not feeling well or believes to be a close contact to someone who has tested positive, that he/she must remain at home.

Thank you for your commitment to our students and have a wonderful holiday season with family and friends.

Very truly yours,

Adele V. Pecora
