Dear Seaford Families,

We hope this letter finds you well and getting ready for the upcoming holiday season. We are pleased to announce that the music department will have in-person concerts this year. To assure the safest environment for our students, families, and staff, the District has implemented a few safety precautions. Concert audience size will be limited to two guests per student, and the venue will not hold more than 100 students participating in each concert. To accommodate this, we will be adding a few extra concerts, thus expanding the concert season into January. These concerts will be shorter in length to help keep gathering times to under an hour. Elementary and High School concerts will take place in the High School auditorium, and all Middle School concerts will take place in the Middle School gymnasium. **All concerts begin at 7:00 pm.**
