Additional information:

- Registration closed 3/3/21.
- Clubs will run from 3:20 - 4:20 p.m.
- Students will be dismissed from the front main entrance by security.
- Each club session will be capped at approximately 20 students.
- All students welcome. Please note, this may impact the number of sessions that each child attends. For example, if there are 100 students registered for a club, each child will attend two sessions. This will ensure all of our students are safe and socially distant in small groups.
- After completing the above survey registration, you will be notified of the dates that your child is assigned to attend by the Club Advisor.
- **All surveys are due on March 3, 2021. Due to the expectation of large numbers, and assigning students to specific dates, we cannot accept any requests after this deadline.**
