

## Native Americans of North America

### Inuit

- Lived in igloos near the Arctic Ocean
- Skilled hunters and fishermen (whales, seals, walrus, caribou)

### Plains Peoples

- Nomadic, temporary villages made up of tepees
- Women planted maize, beans, squash and men hunted antelope, deer and bison
- Bison - source of food, tools, weapons, shelter and clothing

### The Iroquois

- Seneca, Cayuga, Onondaga, Oneida and Mohawk lived in NYS.
- Great Peace set up Iroquois League to make peace
- Great Binding Law - oral constitution to organize league
