COUNTRY RESEARCH

In order to better understand the process of research, each student will research a country in the Eastern Hemisphere. Students will read, take notes in their own words, summarize, classify and analyze information about at particular country using the five themes of social studies as a guide. The five themes are geography, society, economy, politics and history.

- Students choose a country located in the Eastern Hemisphere to research.
- A majority of this research project will be completed in school. Notetaking will be completed in the library and/or the classroom.
- Bibliographic information will be recorded while taking notes. The librarian will instruct students on how to use EZ Bib.
- Most of the writing and editing of the rough copy will be completed in class.
- The final copy will be completed at home and school. Students will be making a PowerPoint based on the research they did. We will complete most of it in class.
- The cover, map and flag must be completed at home.

Important Dates to Remember:
- Notes (20 points)- this will be completed the week of October 22-26
- Rough Copies (20 points)- this will be completed from Oct 29-Nov 5
- Bibliography (5 points)- the lesson is on Oct. 29- due after the lesson
- Flag (10 points)- this will be due on Friday, Oct. 26
- Map (10 points)- this will be due on Tuesday, Oct. 30
