“Pride comes before a fall.”

I. *Court Packing*

- The **Supreme Court** has been finding many of FDR's programs **unconstitutional**.
- **FDR** feels they are trying to destroy the **New Deal** and he comes up with a plan.

- Every justice over **70** will retire, or have another justice appointed to "HELP" him.
- **FDR** plans to add at least 6 more justices!
- Why?

- The **American** people are outraged!
- Even though they gave **FDR** the biggest win in election history in 1936, the **American** people don't want him to MESS with the **Constitution**.
