- **Answer the question in your own words using at least two sentences.**
- **Explain, in your own words, one way that Curzon feels about Isabel AND support your statement with a text quote and page #.**
- **Explain, in your own words, one way that Curzon feels about Isabel that is THE OPPOSITE from the first feeling and quote. Support this second feeling with a different text quote and page #.**
- **Tie up the response by explaining how Curzon’s feelings differ towards Isabel.**
