

DIANA MAFFEI

Salutatorian

2004

FONDEST HIGH SCHOOL MEMORY:

Having a really great network of friends.

FAVORITE HIGH SCHOOL TEACHER:

MRS. CUPO

I WAS INVOLVED IN:

Marching Band (flute), Jazz Band (Piano), Soccer, Key Club, Student Council, National Honor Society

CLASS THAT PREPARED ME MOST:

AP Biology

SINCE GRADUATION, MY PLANS CHANGED:

Not really. My major change from Biology to Psychology

ADVICE TO MY HIGH SCHOOL SELF:

Enjoy what you are doing at the time. Don't worry about the future, things will work out.

COLLEGE:

NYU, Class of 2007; One-year research program: orthopedic surgery research

AFTER COLLEGE:

Doctor – Neonatology Residency in Pediatrics at Winthrop Hospital; Neonatology Fellowship at Cohen Children's Hospital

MAJOR:
Psychology

THE HABIT OF MIND THAT BEST DESCRIBES ME:

Habit #1: Persisting
