

DANIELLE CALDERARO

Valedictorian

2014

FONDEST HIGH SCHOOL MEMORY:

The day-to-day of being in class as a student and building memories with my friends.

FAVORITE HIGH SCHOOL TEACHER:

DR. ZERVAKOS

She was a huge inspiration and taught us the importance of valuing education.

I WAS INVOLVED IN:

President, World Culture Club; SADD; Key Club; Marching Band (Clarinet and Colorguard).

CLASS THAT PREPARED ME MOST:

AP Calculus BC with Mr. O'Reilly. The class taught me how to think critically to solve problems, work with other students and handle challenges.

SINCE GRADUATION, MY PLANS CHANGED:

I always wanted to be a teacher. I majored in elementary education, but expanded my teaching education to include secondary math, STEM and ENL.

ADVICE TO MY HIGH SCHOOL SELF:

Everything is going to work out. Everything will work out the way it is meant to be. All your hard work and dedication will be so worth it!

COLLEGE:

Hofstra University

MAJOR:

Mathematics and Education. Working on Masters in STEM Education

AFTER COLLEGE:

Teaches 7th Grade Pre-Algebra and 9th Grade Algebra in Huntington

THE HABIT OF MIND THAT BEST DESCRIBES ME:

Habit #16: Remaining open to continuous learning. As a teacher I am always learning from students, colleagues and friends!
