FONDEST HIGH SCHOOL MEMORY:

My involvement with Best Buddies. The club was made up of so many great people, I made great memories, and it helped me to become a better leader.

FAVORITE HIGH SCHOOL TEACHER:

MR. FIORIGLIO

He had a great attitude every day and he made it enjoyable to be in his class.

I WAS INVOLVED IN:

Best Buddies, Varsity Baseball, Varsity Basketball, Varsity Soccer, National Honor Society, Athletic Leadership Council, Freshmen Mentors

CLASS THAT PREPARED ME MOST:

AP Calculus BC, AP Statistics

SINCE GRADUATION, MY PLANS CHANGED:

At first, I was only focused on actuary science, but then I opened it up to data analysis. I recognized that there were so many applications of data science and decided to widen my focus of a career path.

ADVICE TO MY HIGH SCHOOL SELF:

Don't sweat the little things and don't let one mishap ruin your day.

COLLEGE:

University of Notre Dame

AFTER COLLEGE:

Actuary/Data Analytics

MAJOR:
Applied and Computational Math and Statistics

THE HABIT OF MIND THAT BEST DESCRIBES ME:

Habit #6: Striving for Accuracy and Habit #14: Finding Humor
