

2022/2023 SCHOOL YEAR
REQUEST FOR CHILDCARE TRANSPORTATION
SEAFORD UNION FREE SCHOOL DISTRICT

The following application is to be completed when a parent wishes his/her child to be picked up (before school) or dropped off (after school) at a location other than their residence. To receive this accommodation, the new location must be within the mileage guidelines for busing for the school and grade of the student. The usual reason for such requests is the provision of supervision by a "sitter" outside the home. Under no circumstances will the district provide transportation to a location located outside its geographic boundaries. This form is to be renewed annually.
