## Virtual Classroom Etiquette for Students and Parents

*Welcome to your virtual classroom experience! The virtual classroom will serve as another facet of your distance learning experience. You should consider this as a “traditional” classroom and abide by the standards and expectations that have already been established by your teacher. Below are some friendly reminders:*

- Please arrive online at the scheduled time.
- **All students must have cameras activated during remote instruction.**
- Find a quiet place to work, free from distraction as best as you can (siblings, pets, televisions, cellphones).
- Maintain respect in speaking, writing, and appearance.
- When on video, stay on mute. Only unmute if you have a question or something relevant to contribute.
- When using the virtual chat features, please be considerate, polite, and use proper spelling and grammar.
- When using video, keep the video on and maintain eye contact to promote focus.
- Please remember that virtual classes are for students. Parents should not interrupt learning. Any interaction with the teacher should occur through email outside the classroom period.
- The privacy and confidentiality of all participants is important. Taking photos, screenshots, recording audio/video is prohibited during the online class, as is posting any portions of the class to social media.
- Please abide by the Seaford School District User Agreement including the Acceptable Use Policy, and Internet Safety Policy. These are accessible on our district website. [SUFSD ACCEPTABLE USE POLICY](#)
- Students are expected to adhere to the Seaford School District Code of Conduct throughout Distance Learning opportunities. This is accessible on our district website. [Code of Conduct](#)
