

kindness

Are you on one of these people
spreading kindness?

- A student was holding the door for another student
- A student was helping an injured student
- Someone dropped his books and a student helped pick them up
- Students are giving kind complements to other students
- 8th graders are tutoring students who need help
- Students are helping other students with homework if they need help
- Students helping other students open their lockers
- Someone was helping another student around the building
- In a classroom, a teacher saw a student take notes for the students who were absent
- A girl saw another girl not having a snack, so she bought her one

If you are on here, keep being kind!!
