June 22, 2020

Dear Parent/Guardian,

We hope this letter finds you and your family well. This certainly was an unprecedented school year filled with many challenges never experienced before.

Taking into consideration how instruction needed to be altered due to the Coronavirus, we are offering some supplemental Reading and Mathematics instructional materials for students in Kindergarten through grade 8 that you can choose to use with your children over the summer. The name of the product is iReady and it is comprised of a series of lessons presented in a virtual format on the computer.

The iReady mathematics and reading lessons will be available to you from **July 1st** through **August 13th**. Follow the directions below to find the inter-active lessons on-line. Additionally, several math and reading learning games are available on the iReady site as well.

Accessing Lessons:

- 1) Go to: login.i-Ready.com
- 2) Your Username is your school email address (for example: jsmith@seaford.k12.ny.us)
- 3) Your password is: seaford
- 4) Enter your state as "New York"
- 5) Choose a subject (math or reading)
- 6) Starting on July 1st, just choose a lesson and begin! (as you complete lessons, new ones are presented)

Parents may want to visit the Family Center button for FAQs and other information.

Once again, we thank you for all your cooperation and support during these challenging times.

John A. Striffolino

Assistant Superintendent
For K12 Curriculum, Personnel
and Instruction
