Student Art Competition

Additional details for submission:

Works in color are preferred as they will result to a more vibrant and eye-catching calendar. (If the work is not in color, charcoal and chalk are better options than graphite as they create more contrast).

Any traditional medium is allowed (i.e., oil pastel, chalk pastel, acrylic, tempera, oil paint, watercolor, gouache, printmaking, collage, colored pencil, crayon, and ink.)

When photographing artwork keep the camera lens parallel to the picture plane and be sure to have even lighting without shadows casted on to the surface. It is best done by placing works on an easel or on the wall. Please be sure to center the artwork in the shot and that it fills the frame.
