BMRH is a non-profit (501c3) youth roller hockey organization that was established in 1980. We have served close to 15,000 players while providing a safe and friendly place for boys and girls to learn, excel, and come to love the game of roller hockey. Our Board of Directors are entirely made up of community volunteers who work to grow the game and we now offer a few different programs, see below.

### **Youth Roller Hockey League**

*10 Games + Playoffs, Practices, All Star Game & Skills Competition*

We have 3 separate divisions (non-beginner level)

- *Freshman Division (grades 1-5)*  
Children of equal skill levels play against each other during games so that our recreational players can develop confidence and understanding of the sport, while advanced players are matched against others of equal ability to further improve their skills. Everyone plays the same amount and has the equal ability to make an impact on the final outcome of the game.
- *Sophomore Division (grades 6-8)*
- *Junior Division (grades 9-12)*

### **Learn to Skate/Instructional Hockey Clinics**

We welcome all beginners of all ages as this 10-week development program will allow us to teach the basic skills needed to play while your child can worry about learning the strategy of the game, later in their hockey career.

\$180.00 – 1<sup>st</sup> Child      \$165.00 – 2<sup>nd</sup> Child      \$150.00 – 3<sup>rd</sup> Child

### **Learn to Play - Dek Hockey Clinics**

Do you love Hockey but aren't quite ready to lace up the skates just yet? No problem, We have you covered. That's right, no skates - no sweat! All you need is a hockey stick. \$150 *per child*
