Board Member Richard DiBlasio stated that he wanted to make a motion to delay any further payments of the MTA Payroll Tax until a later time determined by the Board. A brief discussion took place concerning the need to second the motion.

**REQUEST FOR A MOTION BY
MR. DIBLASIO**

Motion by Mr. DiBlasio, second by Mr. DelGiudice, to delay any further payments of the MTA Payroll Tax until a later time determined by the Board.

Mr. Markle and Mr. Aldrich explained when the next payroll tax will be made and the process in which it is made. Mr. Fagan also spoke about the manner in which these payments are made and legal considerations. Mr. Fagan agreed with Mr. DiBlasio in his feelings in this matter however, he stated he was of the opinion that when the cash gets to a point where salaries, pension and benefits are paid and we have run out of money, we then withhold payment and provide notice in writing to the State that because of their action to delay revenues to the district, we have run out of money and cannot pay it. Mr. DelGiudice suggested passing a motion that would state what action would be taken if funds were not available.

A lengthy discussion on this matter continued. Areas covered in this discussion included:

- Timelines
- Unforeseen expenses,
- Priority of necessary payables
- Options open to the district
- Anticipation notes
- Withholding other taxes in addition to the MTA tax
- Mr. DelGiudice asked for the addition of language in the motion stating we will take action should the funds be withheld
- Language and content of proposed letter
- Understanding contained in letter that we will meet our obligations if the State meets its obligations
- Possibility of a joint position statement to State from Long Island Districts
- Mr. Markle to speak to members of his Quadrant and other Nassau County Superintendents to gauge their reaction and interest in joint statement
- Postponement of any action until outcome of legal challenge already filed is known
- Drafting of letter to Nassau/Suffolk School Boards and New York State School Boards Association
- Mr. DiBlasio stated that the motion was only to delay payments, not a refusal to pay the taxes. He felt that just a letter was not enough and there was a need to make a statement because the State is improperly withholding monies which every district used to base their budgets and the delay is costing taxpayers' money and creating a burden.
- Financially sound at least until April
- Fiscal responsibility
- Mr. Sapricono and Ms. Hurley felt that we should wait until March or April

DISCUSSION (cont'd)

Ms. Hurley suggested they take a vote

Continued discussion:

- Payments and timing of delay
- Language of motion

Mr. DelGiudice asked the Board to keep in mind that when they took their oath of office they swore to uphold the laws of the State

Legal Counsel's comments:

- District obligated by law to make payments within a certain time frame
- If payments are not made on time violating the spirit of the law
- No authority for not making payment
- District's chances to make a case for not making payments in the future unknown

Mr. Fagan suggested that the language of the motion be amended to state that we are sending a letter to the State advising that we will delay payments if we run out money. This would allow the district to remain in compliance with the law.

Motion by Mr. Fagan, second by Mr. DelGiudice to amend the motion made by Mr. DiBlasio.

John DelGiudice -	Aye
Richard DiBlasio -	Aye
Linda Hurley -	Nay

Motion Carried.

Discussion was held concerning:

- Exact language of Mr. Fagan's proposed the motion
- Board's desire to send a message
- What payments will be delayed

Legal counsel's comments:

- Vagueness of motion as to when District will not be able to pay
- Motion would require further vote by the Board to delay payments
- Language of motion
- Application for temporary restraining order from other organizations to stop Governor
- No legal basis to delay payments

Further discussion was held concerning:

- District's fiscal responsibility
- Who the letter should come from
- Intent of the Board
- Other districts' involvement in the letter to the Governor
- Need for subsequent action by the Board before payments can be delayed

Motion by Mr. Fagan, second by Mr. DelGiudice to send a letter, independently or in conjunction with other school districts, that should the District run short of money due to the State delaying State aid payments, the MTA Payroll Tax and other tax payments, shall be delayed subject, however, to future resolution of the Board specifically reflecting payments to be delayed.

Richard DiBlasio -	Aye
Linda Hurley -	Aye

Motion Carried.

Mr. DiBlasio thanked the Board and stated that moving forward Seaford will now have a voice which will be heard. He also expressed his hope that all the other school districts will unite and share with our frustration.

Mr. Sapricono advised that even though he voted no to the resolution he would sign the letter.
