May 5, 2015

Seaford SEPTA Goals For the Upcoming Year

- Bringing parents and teachers of all children together, regardless of their specific needs in order to share the experiences involved in educating their children.
- To encourage parent involvement in the Seaford Public Schools.
- To educate parents about a variety of special education topics including gifted & talented.
- To familiarize parents with the processes involved in referral, evaluation, and identification of students in need of building level support services, academic intervention services and/or special education programs and/ or services.
- To provide the student with special needs with opportunities for social, cultural and physical enrichment.
- To assist parents in securing a working knowledge of the roles of Committee on Preschool Special Education and the Committee on Special Education; the development of the Individualized Education Plan (IEP), the placement of students in need of special education services in programs providing them with the individualized components of education to meet their specific needs; and or the process involved in securing related or support services for students in need of same.
- To work collaboratively at increasing the knowledge of legislators, school boards and the community about special education programs and services.
