

2023-2024 GROUPS

Dear Seaford High School students and families, We are excited to inform you about small group experiences that will be offered this year at Seaford High School! Small groups provide not only the opportunity for additional learning experiences, but also a time of sharing and of growing together with fellow students. Small groups give students a chance to belong, a chance to express themselves, and the opportunity to benefit from the support of group members.

Please keep in mind that in addition to the group meeting schedule, individual counseling opportunities are always available to our students. Our 2023-2024 groups will include the following topics:
