

Meet The Librarian

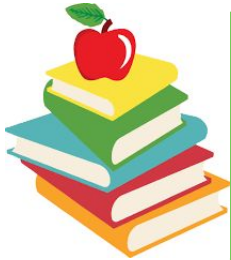

Mrs. Hanly

Hi! My name is Mrs. Melissa Hanly and I will be the Librarian at the Manor School this year! Previously, I was the leave replacement for both Ms. Lee and Mrs. Whitman while they were out on maternity leave last school year. When I was not in the leave replacement positions, I would be seen subbing around the building. I am excited to work with your children again and to meet all the new students and kindergarteners. Please reach out to me at any time with questions, concerns or information that will help me get to know your child even better.

My Childhood/Family:

I grew up in Seaford with my mom, dad and older sister, Kristin. I went to the Seaford Harbor Elementary School and graduated from Seaford High School. My husband also grew up in Seaford and because we both loved the town so much, we decided to buy our house in Seaford and raise our family here! I have two children named Connor and Olivia. Connor is a fourth grader and Olivia is a third grader.

My Education/Work Experience:

I began my education at C.W. Post where I completed their Bachelor's program in Childhood Education. I then began working in the Half Hollow Hills School District while I attended Touro College at night for my Masters Degree. I received my Dual Masters Degree in both Special Education and Childhood Education. I worked in the Half Hollow Hills School District for 12 years and the Plainedge School District for 2 years before joining the Seaford School District.
