

# meet the TEACHER

Ms. Jacqueline Wilkom

## Welcome to My Class !

I am pleased to welcome you to the 2022 - 2023 school year! I am looking forward to having your child as a student. This will be such a fun year with so many wonderful learning activities to celebrate. In order to have a fun year, my most important goal is to create a family of learners in my classroom. I am committed to creating a classroom environment where your child is a valued, trusted, and integral part of our family of learners. In order to accomplish this, I have planned a variety of activities to emphasize and reinforce this goal. It is my hope that you will support and encourage this vision at home.

## About Me

Hello! I am Ms. Wilkom, and I will be your child's teacher! This will be my second-year teaching at Seaford Manor Elementary School, and I am so grateful to be apart of such a wonderful school community. Prior to working at Seaford Manor, I taught for 3 years in Smithtown. I **LOVE** teaching and creating fun, engaging, and rigorous lessons/activities that meet the needs of all learners. As an educator I strive to be an awesome teacher to my students. My goal is to help my students reach their fullest potential and to instill a love for learning.

I attended both SUNY New Paltz and St. Joseph's University. I received my Bachelors Degree in Elementary Education and my Masters Degree in Special Education: Students with Learning Disabilities.

I cannot wait to start this awesome year! We have so much fun in store for us! I am excited to make this the best year yet!

## Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
