## Ms. DeSimone

### ABOUT ME

I'm a school psychologist with a passion for Social Emotional Learning (SEL). Over the summer, I enjoyed many beach days and spending time with family. I'm so excited to be back this year and sharing my love for SEL with the Manor, Harbor and Middle School!

### WORK EXPERIENCE

I graduated from Fairfield University with my Masters and Certification in School Psychology in 2020. I worked for a year in Connecticut and moved to Long Island the summer of 2021. This is my second year as a Social Emotional Psychologist in Seaford.
