Motion by Mr. Kahn, second by Ms. Ruona, to authorize the Board President to authorize the Board President to sign an Agreement with Access 7 Services, Inc. for reading services to a special education student during the summer of 2013. Total cost is $2,025.

Mr. Kahn stated that the Board is being asked to approve reading services for the summer yet the contract is for the whole year and has about twenty different services. Mr. Conboy explained that the memo from Ms. Dawkins explains what the services are for. Mr. Kahn stated that his understanding was that Ms. Dawkins was supposed to specify in her memo if she wanted the ability to use other services from the provider if needed to justify the Board approving the other services. In response to Mr. Kahn’s question, attorney Chris Venator stated his recollection of previous conversations concurred with Mr. Kahn’s understanding. Mr. Conboy advised that approval tonight is just for the services Ms. Dawkins requested in her memo. Discussion continued concerning past understanding, boiler plate contracts, language in memos to indicate individual services and/or request for possible use of provider for other services in the future, unwillingness to approve a contract for services which have not been researched, what services will be provided under this contract and what Board is approving this evening. Mr. Conboy stated that the Board is only approving this company for this service; if Ms. Dawkins wants any other services from them during the school year then another recommendation and Board resolution will be needed.
