Seaford Summer Recreation Program

The Seaford Summer Recreation Program offers hours of fun activities that will keep young minds busy and young bodies active during the summer months. The specially developed curriculum combines physical fitness and play with arts, crafts and special events. Our campers will learn basic sports skills in an age-appropriate manner, which will create a foundation for positive experiences.

Children will engage in traditional sport activities such as soccer, baseball, basketball, badminton, "Ga-Ga", knock hockey and many more fun activities. It's the perfect break for kids and parents during the summer months.

After celebrating a very safe and successful 18th year, the Seaford Summer Recreation Program is excited to be back for a fun and enjoyable filled summer. With many of our outstanding group leaders and counselors returning, new special events, and some of our old favorites, we expect another fantastic four weeks!

- There will be no refunds after the start of camp.
- If anyone is interested in becoming a camp sponsor on our letterhead and t-shirts, please call 317-6554 or email seafordrec@yahoo.com for any questions you may have.
- The distribution of this flyer by the Seaford School District is a courtesy extended to the activities of this organization. In no way does the Seaford School District sponsor or accept any responsibility for these activities.
